We hereby report regarding radio Alarm # 3868 at 344 Rm., a dog investigation. We were sent to the home of Florence Van Etten, 831 W. 8th St and were informed that Mr. George Sanders, age 87, of 852 W. 12th was walking his dog on a leash. He stopped to talk to Mr. Edwin V. Jones, in front of 915 W. 8th St. (Jones home) When another dog attacked the Van Etten dog. In trying to separate the dogs the leash tangled and tripped Mr. Sanders and he fell onto sidewalk. He suffered a laceration on the back of his head and a wrenched back. He is to be treated by Dr. L. H. Borrow.

The attacking dog belongs to Mrs. Margaret Miller of 536 ½ E. Place and was in charge of Richard Miller, age 13, but not on a leash. The Miller dog has License # 2583 and the Van Etten dog #1773. Ettens. Stutz & Platt.

July 9, 1943.

I had 3 phone calls in 15 minutes about a barking dog that was tied to a tree in the rear of 1035 W. 7th St. The owner of this dog is Mrs. J. Malang who lives at this address. This dog did not have any shelter and it was impossible to get any one on the phone at this address.

So I sent the car to 1035 W. 7th St., and the officers were unable to arouse any one. I instructed the officers to untie the animal and bring him to Headquarters, and he was kept in the garage for the night. The dog did not have any license tag on him.
